October 26, 2016

Joan Davis, JD
Chancellor
Delgado Community College
615 City Park Ave
New Orleans, LA 70119

Dear Chancellor Davis:

In 2015 the nuclear medicine technology program sponsored by Delgado Community College received continued accreditation for two years from the Joint Review Committee on Educational Programs in Nuclear Medicine Technology (JRCNMT). Extension of accreditation to the full term was contingent upon submission of a progress report satisfactorily addressing deficiencies in compliance with published accreditation standards.

Based on the information provided in the program's progress report, the JRCNMT voted on October 21, 2016 to extend accreditation five additional years. The next evaluation of the program for continued accreditation will occur in 2022. A mid-cycle report will be due on February 1, 2019.

Notification of this decision will be forwarded to the institution's accrediting agency. The information will also be made available to the public on the JRCNMT website.

The JRCNMT extends best wishes for continued success in the operation and on-going improvement of this educational program.

Sincerely,

Jan M. Winn, MEd, RT(N), CNMT
Executive Director
