Dear Dr. Rodriguez Quilichini:

At a special meeting held on December 18, 2018, the Joint Review Committee on Educational Programs in Nuclear Medicine Technology (JRCNMT), based upon its review of the self-study and site evaluation report, voted to confer continued accreditation for seven (7) years to the nuclear medicine technology program at the University of Puerto Rico Medical Sciences Campus.

The program's next review for continued accreditation will occur in 2025. Submission of a mid-cycle report will occur in 2022.

This award is made on the condition that the number of students enrolled in the clinical phase of the program shall not exceed 6. The following institutions are recognized as affiliates:

Affiliate	Location	Approved Capacity for Program
Lantheus Radiopharmacy	San Juan, PR	arr @ 1
University of Puerto Rico Medical Center	San Juan, PR	arr @ 1*
VA Caribbean Hospital	San Juan, PR	6
Total program capacity		6

**Please note that when the procedure volume at University of Puerto Rico Medical Center returns to pre-hurricane numbers the program can submit the appropriate data and have the capacity increased at this facility.*

Notification of this decision will be forwarded to the institution's accrediting agency and will also be made available to the public through the JRCNMT website and its publications.

The JRCNMT extends best wishes for continued success of this program.
