

Joint Review Committee on Educational Programs in Nuclear Medicine Technology  
**Notice of Accreditation Actions**  
Spring 2014

Accrediting agencies recognized by the Council for Higher Education Accreditation are required to notify the public of the basis for final accreditation decisions. The Joint Review Committee on Educational Programs in Nuclear Medicine Technology (JRCNMT) meets this requirement by publishing a notice of accreditation actions on its website after each board meeting. The nuclear medicine technology community, regional and specialized accrediting agencies, and state agencies responsible for postsecondary education and radiation oversight are notified when a new notice of action is published.

At its meeting on April 4 - 5, 2014 the JRCNMT took the following actions regarding the nuclear medicine technology programs sponsored by the institutions listed below. Specific standards listed in this report can be reviewed in the [JRCNMT Accreditation Standards for Nuclear Medicine Technologist Education](#).

***Continued Accreditation*** - Programs in this category have completed a self-study and on-site evaluation. The term for continued accreditation is up to seven years.

---

**Community College of Allegheny County (PA)**

Continued accreditation conferred to December 31, 2016
