

Notice of Accreditation Actions

Spring 2018

Accrediting agencies recognized by the Council for Higher Education Accreditation are required to notify the public of accreditation decisions and the basis for such decisions. The Joint Review Committee on Educational Programs in Nuclear Medicine Technology (JRCNMT) meets this requirement by publishing a notice of accreditation actions on its website within 30 business days after each board meeting. The nuclear medicine technology community, regional and specialized accrediting agencies, and state agencies responsible for postsecondary education and radiation oversight are notified when a new notice of action is published.

At its meeting on April 27 - 28, 2018 the JRCNMT took the following actions regarding the nuclear medicine technology programs sponsored by the institutions listed below. Specific standards listed in this report can be reviewed in the [JRCNMT Accreditation Standards for Nuclear Medicine Technologist Education](#).

Accreditation Extended- Programs in this category have submitted an interim report demonstrating compliance has been achieved on previously cited standards, allowing extension of the previous accreditation award up to a maximum of seven years.

Keiser University Lakeland Campus (FL)

Initial accreditation extended two years; accreditation conferred through December 31, 2020

University of Iowa Hospital and Clinics (IA)

Accreditation extended three years; accreditation conferred through December 31, 2023

Mid-cycle report due in 2020

UMass Memorial Medical Center / Worcester State University (MA)

Probation rescinded; accreditation conferred through the date of program closure on July 1, 2018

Probation - Programs in this category have completed a self-study and on-site evaluation or an interim report and have been found in non-compliance with JRCNMT accreditation standards. The term for probation is limited to a maximum of two years.

Loma Linda University (CA)

Probation extended one year

Progress reports on standards B2.1a, D6, E1.3 and E1.1/E1.4 due August 1, 2018 and February 1, 2019

A focused site visit will be conducted after receipt of the progress reports and prior to the spring 2019 meeting

Voluntary Withdrawal of Accreditation - This action is taken at the request of an accredited program.

Maine College of Health Professions (ME)

Voluntary withdrawal of accreditation due to program closure, effective December 31, 2017

Beaumont Hospital - Royal Oak Campus (MI)

Voluntary withdrawal of accreditation due to program closure, effective December 31, 2017

Stony Brook University (NY)

Voluntary withdrawal of accreditation due to program closure, effective June 15, 2018

Active/Inactive Program Status - *Inactive status is granted when a program has no students currently enrolled. Inactive status is limited to a two-year period. Reactivation is granted when a program submits a report indicating the program continues to be in substantial compliance with accreditation standards and plans to begin enrolling students.*

University of New Mexico (NM)

Approved reactivation, effective April 27, 2018

Substantive Change Requests

Rhode Island Hospital (RI)

Approved: changes to program mission and goals; curriculum revisions; and extension in length of program. The changes are effective beginning with the 2018 student cohort.
