

## Notice of Accreditation Actions

Spring 2016

Accrediting agencies recognized by the Council for Higher Education Accreditation are required to notify the public of accreditation decisions and the basis for such decisions. The Joint Review Committee on Educational Programs in Nuclear Medicine Technology (JRCNMT) meets this requirement by publishing a notice of accreditation actions on its website within 30 business days after each board meeting. The nuclear medicine technology community, regional and specialized accrediting agencies, and state agencies responsible for postsecondary education and radiation oversight are notified when a new notice of action is published.

At its meeting on April 15 - 16, 2016 the JRCNMT took the following actions regarding the nuclear medicine technology programs sponsored by the institutions listed below. Specific standards listed in this report can be reviewed in the [JRCNMT Accreditation Standards for Nuclear Medicine Technologist Education](#).

***Continued Accreditation*** - Programs in this category have completed a self-study and on-site evaluation. The term for continued accreditation is a maximum of seven years.

---

### **Bluegrass Community & Technical College (KY)**
