President  
Bronx Community College  
2155 University Ave  
Bronx, NY 10453

Dear Dr. Isekenegbe:

In November 2020, the nuclear medicine technology program sponsored by Bronx Community College was placed on accreditation with conditions by the Joint Review Committee on Educational Programs in Nuclear Medicine Technology (JRCNMT). Receipt of continued accreditation was contingent upon submission of a progress report satisfactorily addressing deficiencies in compliance with three published accreditation standards noted during the program's comprehensive accreditation review.

The progress report submitted by the program earlier this year satisfactorily addressed the current status of the program with respect to its compliance with the following standards in the *Accreditation Standards for Nuclear Medicine Technologist Education (2017 ed)*:

- Standard C1d - clinical assignment guidelines,
- D2.3 - formative and summative evaluation of students, and
- D3.1j – comprehensive documentation of clinical affiliate visits.

Accordingly, the JRCNMT accepted the progress report on April 17, 2021 and approved continued accreditation for six (6) years. The program's next review for continued accreditation will occur in 2027. A mid-cycle report will be requested in 2024.

Notification of this decision will be forwarded to the institution's accrediting agency and the information will be made available to the public on the JRCNMT website.

The JRCNMT extends best wishes for continued success in the operation and on-going improvement of this educational program.

Sincerely,

Jan M. Winn, MEd, RT(N), CNMT
