Mark T. Brainard, JD  
President  
Delaware Technical Community College  
100 Campus Dr  
Dover, DE 19904

Dear President Brainard:

Earlier this year, the nuclear medicine technology program at Delaware Technical Community College completed the self-study and site visit process for continued accreditation by the Joint Review Committee on Educational Programs in Nuclear Medicine Technology (JRCNMT). Last week JRCNMT Directors reviewed the evaluation of the program's self-study and the Letter of Site Visit Findings and determined that the program is in compliance with the *Accreditation Standards for Nuclear Medicine Technologist Education*. Accordingly, the JRCNMT voted to continue the program's accreditation for seven years, the maximum period possible.

A mid-cycle report will be requested in 2026 and the program's next review for continued accreditation is scheduled to occur in 2029.

This accreditation decision is based on the condition that there shall be no more than 9 students in the clinical phase of the program at any time. The total capacity and individual affiliate capacities noted below were determined utilizing the clinical affiliate data provided in the program's self-study. The following institutions are recognized as affiliates of this program:

<b>Affiliate</b>	<b>Location</b>	<b>Approved for This Program</b>
Bayhealth Hospital, Kent Campus	Dover, DE	1
Christiana Hospital	Newark, DE	5
ChristianaCare Union Hospital	Elkton, MD	1
Nemours Children's Hospital	Wilmington, DE	arr @ 1
Wilmington Hospital	Wilmington, DE	1
Wilmington VA Medical Center	Wilmington, DE	1
<b>Total program capacity</b>		<b>9</b>

Notification of this decision will be forwarded to the institution's accrediting agency and will also be made available to the public through the JRCNMT website and its publications.

The JRCNMT extends best wishes for continued success and ongoing improvement of this program.

Sincerely,

A handwritten signature in black ink that reads "Jan M. Winn". The signature is written in a cursive, flowing style.

Jan M. Winn, MEd, RT(N), CNMT  
Executive Director
