W. Myles Shelton, EdD
President
Galveston College
4015 Ave Q
Galveston, TX 77550

Dear Dr. Shelton:

Earlier this year, the nuclear medicine technology program at Galveston College completed the self-study and site visit process for continued accreditation by the Joint Review Committee on Educational Programs in Nuclear Medicine Technology (JRCNMT). Last week, JRCNMT Directors reviewed the evaluation of the program's self-study and the Letter of Site Visit Findings and determined that the program is in compliance with the *Accreditation Standards for Nuclear Medicine Technologist Education*. Accordingly, the JRCNMT voted to continue the program's accreditation for seven years, the maximum period possible.

A mid-cycle report will be requested in 2026 and the program's next review for continued accreditation is scheduled to occur in 2029.

This accreditation decision is based on the condition that there shall be no more than 13 students in the clinical phase of the program at any time. The total capacity and individual affiliate capacities noted below were determined utilizing the clinical affiliate data provided in the program's self-study. The following institutions are recognized as affiliates of this program:

Affiliate	Location	Approved for This Program
BHST Beaumont Campus	Beaumont, TX	2
HCA Houston Healthcare Clear Lake	Webster, TX	3
Houston Methodist Baytown Hospital	Baytown, TX	2
Houston Methodist Clear Lake Hospital	Nassau Bay, TX	1
Memorial Hermann Heart & Vascular Institute	Houston, TX	arr @ 1
Memorial Hermann Imaging Center	Houston, TX	1
Memorial Hermann Southeast Hospital	Houston, TX	1
UTHealth Weatherhead PET Imaging Center	Houston, TX	arr @ 1
UTMB John Sealy Hospital	Galveston, TX	2
UTMB League City Campus	League City, TX	1
Total program capacity		13

Notification of this decision will be forwarded to the institution's accrediting agency and will also be made available to the public through the JRCNMT website and its publications.

The JRCNMT extends best wishes for continued success and ongoing improvement of this program.

Sincerely,

A handwritten signature in black ink that reads "Jan M. Winn". The signature is written in a cursive, flowing style.
